INVITATION TO ABUSE: Sebastian was trolled after picking up his missus

I bet he sniffed his fingers after!

By BRAD CHADWICK
news@sundaysport.co.uk

IT'S hard to feel sorry for sexy Emily Ratajkowski's husband – because after all, he gets to slip his length up the stunning model every day.

But you could be forgiven for feeling a tinge of pity after Sebastian Bear-McClard found himself the target of internet trolls after his hot missus posted a picture of him with his hand between her legs and grabbing her fabulous arse.

Sympathy

Then you remember he's called Sebastian Bear and all sympathy goes out of the window.

After the snap went online on Emily's Instagram feed she was inundated with fans asking about whether Sebastian had been sniffing his hand after getting it so close to her lady bits.

One commenter said: "I bet he sniffed his hand afterwards!"

Another added: "I would never tire of sniffing my hand after doing that."

But it wasn't just fanny scent people were obsessed with.

One fan told them: "I'd buy your porn!"

And yet another viley observed: "His hand on your boot crack hah ha."

A source close to the pair said: "To be honest he didn't sniff his hand afterwards.

"He can smell her whenever he wants by just going to through the dirty laundry."

HE TAKES ALL THE WEEK'S NEWS & PULLS ITS PANTS DOWN

MONDAY

BORIS Johnson's chief aide Dominic Cummings holds a press conference to explain why he drove from London to Durham during the lockdown.

The event was held in a rose garden – probably because Mr Cummings required a handy supply of manure.

His version of events was immediately dismissed by half the country, including 12 Anglican bishops – who said it was "unbelievable".

That was nice of the men whose day job is telling us that every animal on Earth is descended from a single pair, taken onto a home-made boat around 3,000 years ago by the Middle East's answer to John Kettley.

Many Westminster journalists also believe Mr Cummings's story sounds false – but that's mainly because they can't believe anyone would want to drive north of the M25, for any reason, ever.

TUESDAY

PRINCE Charles boasts that he has persuaded several of his police minders to become fans of the German classical composer Richard Wagner.

OK, steady on Charlie boy. Considering Wagner's most famous fan is Adolf Hitler, we're guessing the average British cop is fairly ripe for conversion.

WEDNESDAY

SPEAKING of Royals, Prince William reckons his fear of public speaking has been cured by his failing eyesight… because he can no longer see the faces of those he is addressing!

Well, that sounds like a perfectly good solution – as long as he can safely drive himself to the venue.

Luckily, Barnard Castle is just 260 miles up the road.

THURSDAY

BORIS Johnson announces that up to six people from different households will soon be allowed to meet in a garden.

Ah, that's nice. It means he'll be able to get (some of) his kids together on Father's Day.

The new guidelines even allow your guests to pop into your house to use the toilet – but the Government has issued strict instructions on how to wipe everything clean afterwards.

We assume it's still front-to-back, right?

FRIDAY

POP princess Kylie Minogue releases her own brand of rosé wine.

It's very much like the woman herself – surprisingly fruity for a vintage edition, with memorable notes of peach.

It's also very much like her music – best enjoyed with coke.

SATURDAY

AMERICAN leaders try praying for peace as the country burns in yet another outbreak of race riots.

It's clear that American cops will always be racist but perhaps they should pick on a different colour for a change.

Surely orange people must be overdue a good kicking?

Willy it never end?!

AS if things aren't bad enough for the people of India, it looks like they're now totally FKED by an apocalypse-sized swarm of locusts gathering in the shape of a giant COCK 'N' BALLS!**

The ravenous insects are making their way across the north of the blighted country as part of a prolonged streak of invasions of a severity not seen in 25 years.

With India still in lockdown with the coronavirus plague, authorities are struggling to control the spread of the pests.

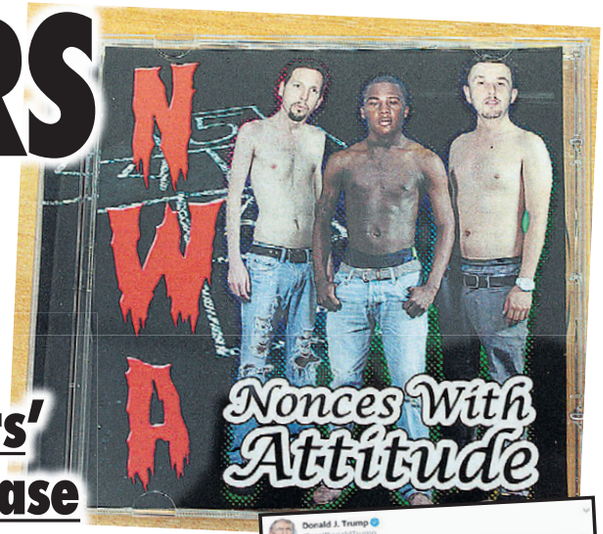
Swarms of locusts destroyed crops spread over miles in the state of Rajasthan alone, which is likely to lead to even more famine than even the natives are used to.

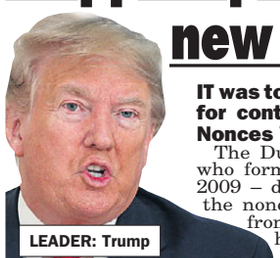
Wailing at the sight of this biblical cloud over Jaisalmer, one local predicted: "It's a sign – a sign that we're once again utterly fked!**

"Does it ever end!"

DONALD TRUMP BUGGERS NONCES

President's riot tweet scuppers paedo rappers' new album release





LEADER: Trump

I PREDICT A RIOT: Yanks go on the rampage

IT was to be a new departure for controversial rap outfit Nonces With Attitude.

The Dutch paedo rappers – who formed in Amsterdam in 2009 – decided to "tone down the noncing" and move away from tracks such their hits including *Bananas Green, All Grown Up, Our Little Secret* and *Shh! Don't Tell*.

The result was a new "urban" album, that "echoed the angst of South Central LA", according to critics who listened to previews.

But the title of the new CD – which was set for release on Friday – *Lootin' and Shootin'* is almost word for word what President Trump tweeted that same day in response to riots sparked by the killing of a black man by cops.

Three nights of protests erupted in Minneapolis and other US cities after the death of George Floyd, 46.

A cop was filmed kneeling on the neck of Mr Floyd, despite him saying he couldn't breathe.

Trump called the protestors "thugs" who were dishonouring Mr Floyd's memory and called on the National Guard to restore order.

Twitter accused Mr Trump of glorifying violence in a post that said: "When the looting starts, the shooting starts."

....These THUGS are dishonoring the memory of George Floyd, and I won't let that happen. Just spoke to Governor Tim Walz and told him that the Military is with him all the way. Any difficulty and we will assume control but, when the looting starts, the shooting starts. Thank you!

TWEET: Trump's words scuppered release of new Nonces' album

Nonce's frontman Henry De Oest wailed: "When we read the Trump tweet about looting and shooting we were gobsmacked.

"We cannot release an album that almost exactly echoes the words of Donald Trump – it would be commercial SUICIDE."

The Nonces' record company has pulped more than 100,000 copies of the CD and the release onto digital platforms has been put on ice indefinitely.

Record boss Anders Van Der Moydikk said: "We took a chance with this new Nonces album and it has blown up in our faces."

'Naked James May' seen on canal bridge!

A MAN who looks like a "naked James May" has been spotted on a canal bridge.

Police in Bosworth, Leics, received a report there was a male on a bridge not wearing any clothes.

In a Facebook post, the force said: "We don't think this is anything to be unduly concerned about, but we have just taken a report that there was a male on bridge 43 of the Ashby Canal with no clothes on."

He was described as looking like 57-year-old *Top Gear* and *The Grand Tour* presenter James May (*above*).

Reports also suggest he had a fluorescent pink T-shirt and black shorts with him.

The post added: "He was described as a 'naked James May'.

"Could be a perfectly reasonable explanation but at the moment we'd encourage anyone who sees him to call us."

It is not believed the naked man was the real James May off TV.

Crowbar nut gets 4 years

A MAN who mowed down a stranger at a petrol station and then attacked him with a CROWBAR has been jailed for four years.

Aqeel Ahmed, 24, targeted his victim after a confrontation in the Manchester garage's car park.

He returned to his car and sped back into the petrol station where he ploughed into the man, who flew from his bonnet onto a parked vehicle.

Ahmed then leapt out and stamped on his victim's head three times while he lay unconscious.

The driver of the parked vehicle intervened and restrained Ahmed, but he broke free and struck his victim with a crowbar.

He was arrested at the scene on February 25.

At Manchester Crown Court, Ahmed, of Bolton, admitted attempting to cause grievous bodily harm, dangerous driving and drink driving.

BUSINESS SO GOOD FOR DOMINIQUE CUMMINGS DWARF BLOWJOB SEX QUEEN THAT SHE FEARS...

I'll end up with lockdown lockjaw

BIG BUSINESS: Tiny Dominique gives good head

CUMMINGS AND GOINGS: Government strategist

WHILE Boris Johnson probably can't wait to see the end of the row surrounding his lockdown-busting puppet master Dominic Cummings, one person is lapping it all up – quite literally!

For itty-bitty working girl Dominque Cummings has never been busier and every headline that bashes her doppelganger is money in the bank.

The three-foot-seven babe – whose real name is Vera Dwight – said: "Until this blew up, looking like Dominic Cummings was not exactly a good thing, work-wise.

"I had to graft really hard to build up my client base and I'm credited with giving the best blowjob in the north of England."

Stay home... protect the NHS... suck my Johnson!

SUNDAY SPORT EXCLUSIVE

But then it was revealed that No.10 strategist Cummings made a trip to County Durham while his wife was suffering from coronavirus – in clear breach of the Government guidelines in the UK which he'd played a huge part in laying down.

Roughly

Dominique, who hails from Bishop Auckland – roughly halfway between Durham City and Barnard Castle where Cummings drove to test his eyesight – said: "I knew straight away I was quids in.

"I changed my name and put some new ads online.

"And I tell you what, the phone has been ringing non-stop!

"I've given so many blowjobs recently that I think I might well end up with lockdown lockjaw!

"I know that me working is not strictly in line with UK lockdown rules.

"But I tell you this – if Dominic Cummings can break the lockdown, then so can I!"

Last night a No.10 source said: "Oh my God! That's amazing! Can you send a picture – we'll pin it up in the staff kitchen.

"Oh, that's priceless. Cummings will blow an absolute bloody gasket."

On Monday, Dominic Cummings faced the Press where he explained that he had driven from his London home to his parents' farm in Durham, as he and his wife feared they would be unable to care for their child if both of them fell ill with coronavirus.

Mr Cummings also told the Press that while they were staying in Durham, he drove his family to Barnard Castle as he feared he'd been struck blind by the bug.

Anna: I'm happy to pretend I'm bonking!

SEXY Anna Kendrick has admitted she's "not really interested" in doing nude scenes in her work.

The *Pitch Perfect* star debuted in HBO Max anthology series *Love Life*, which coincided with the streaming platform's launch.

The show's first season follows Kendrick's character, Darby, from her first love to her last, and as such involves some intimate scenes.

She said: "When we started filming, it dawned on me that in every single episode I was going to be doing a kissing scene, or a sex scene with someone brand new.

"It was definitely weird to know that we were going to meet and within a week we were going to be in bed – pretending to have sex!"

However, Kendrick has given her thoughts on doing nude scenes, explaining she draws the line at anything beyond simulated sex.

The 34-year-old (*left*) said: "My personal feelings on nudity – that I'm not really interested in nudity for me – stayed the same.

"I've never had a problem with simulated sex scenes, that feel like it's about the character – whereas I only get one body, so nudity's more about me."

Why the Hel am I a sex symbol?

DON'T call OAP sex symbol Dame Helen Mirren a sex symbol...

In a new interview, the 74-year-old British actress said she doesn't even know what it means to be regarded as one.

She said: "I don't agree that I'm a sex symbol – the great thing about getting older is that you get over all that. You tend to think, 'Sex symbol? What the fk does that mean?'**

"There are so many other interesting things to be driven by."

However, Dame Helen – who won a Best Actress Oscar in 2006 for her performance in *The Queen* – was quick to add that she wasn't knocking back the compliment.

She said: "It's great and I'm not knocking it – it's a fabulous part of life – but it's only a part, it's not everything."

And in a 2016 interview with *Good Morning America*, Dame Helen said her issue with the term is it pigeonholes women.

She said at the time: "It's as if we can only operate through our sexual allure. I think that's such rubbish and so untrue about women."

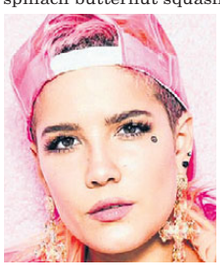
Law's a Nightmare for pop babe Halsey

POP babe Halsey is studying briefs...

The 25-year-old – real name Ashley Nicolette Frangipane – has revealed she is working towards taking an exam to qualify as an lawyer after a fan spotted she had a book on constitutional law on display in one of her recent Instagram snaps.

In the caption, she had hinted: "Law is fun but hard."

Giving fans an update on her day, Halsey – who recently fractured her ankle as she loaded her dishwasher – wrote in the full post: "I took my brace off my ankle cause it was itchy and now I need to put it back. I made a quiche and fresh spinach butternut squash ravioli. Law is fun but hard. Beautiful sky."



When one follower asked about the book, the *Nightmare* singer replied: "I'm studying to take the bar exam!"

New Jersey-born Halsey – who dropped out of college at 19 – follows in the footsteps of Kim Kardashian West, who's also been studying to take her "baby bar" exam and has been making waves in prison reform.

A STUNNING brunette topped 150mph on her BMW motorcycle as cops pursued her in a high-speed chase.

Gina Aidaliz Henry, 38, was arrested after fleeing from traffic cops as she weaved through morning traffic on a motorway.

Police working with a helicopter overhead first caught her flash BMW S 1000 RR doing 82mph in a 60mph zone, court records show.

Henry, who works at a motorcycle dealership in Tampa, Florida, ignored an officer who put on his siren for her to pull over sped off along the hard shoulder.

She was clocked at more than 150mph as police struggled to keep up. Cops managed to stop her after she turned left on a service road and found herself directly behind a Florida Highway Patrol vehicle.

She was charged with unlawful speeding, reckless driving and fleeing to elude a law enforcement officer.

Tykes lead hikes in phone sex searches

A MASSIVE increase in online searches for phone sex in the UK has been led by Bradford, a survey has revealed.

The Government's social distancing rules have meant that many singletons have become increasingly sexually frustrated.

New findings from classified adverts website Vivastreet reveal that many people have been looking for alternatives.

According to their research, online searches in the UK for the term 'phone sex' have gone up 23 per cent since the lockdown measures came into place.

In particular, the West Yorkshire city of Bradford saw online searches for phone sex jump a huge 64 per cent.

Belfast saw a 54 per cent increase, Sheffield 52 per cent, followed by Liverpool, up 49 per cent.

My wife SUCKED OFF our neighbour while I clapped for carers

CLAP EXCUSE: Cock-mad Helen

SUNDAY SPORT EXCLUSIVE By BARNEY SAMUELS

PETE Green's wife Helen is pretty, intelligent, witty and a cracking cook...

But, sadly, she is also a HARLOT!

Because for the past nine weeks, while Pete has stood at the front of their smart £200,000 new-build house in Runcorn, Cheshire, hot-mouthed Helen has been SUCKING OFF the bloke next door.

And it's left 34-year-old Pete heartbroken.

He lamented last night: "Helen joined me for the first 'Clap for Carers' and it was a great occasion.

"The whole street applauded and it showed the true spirit of the lockdown."

But on the second week, Helen cried off, claiming to have "sore hands".

Pete said: "I said she should stay indoors because I read online that poorly hands was a symptom of coronavirus.

Troll

"I had to tell the neighbours Helen had suspected coronavirus because they were going to put her name on the local Facebook page and get everyone to troll her for not applauding the NHS heroes."

And each successive Thursday night Helen, 32 – a furloughed account manager – came up with a new excuse.

Pete said: "Last week, I came back in after applauding and Helen had spunk all round her mouth.

"When I challenged her she admitted she'd been sucking off that brute from next door who works in the gym. And then she left me.

"I can't believe that while I was saluting our NHS heroes – and other frontline key workers – she was sucking off him from next door."

As *Sunday Sport* went to print last night the whereabouts of Helen and her neighbour lover – named locally as Martin Smith – were unknown.

"Still at least you'd get a good look at those lovely busters before you went blind."

THE VOICE OF YOUR BRITAIN

Those who shun Clap For Carers can go suck it!

TODAY Sunday Sport reports on a truly shocking story...

A faithless wife SUCKED OFF a string of MEN while her loyal and decent HUSBAND was applauding the NHS heroes each Thursday.

At this newspaper, we like to think we've seen it all.

Each day, stories of eye-watering depravity and cruelty pass across our desks.

We have to harden our hearts lest we be broken by the ceaseless tales of human wickedness.

But the idea that a woman – a mother – could MISS the Clap For Carers to fill her mouth with hard cock and gushing semen?

That is too much for human flesh to bear!

Where is the compassion?

Where is the decency?

Should this woman succumb to the Spanish Pox because of her ceaseless cock-sucking, we can only hope that she is driven away from her local hospital by a tidal wave of outrage!

Nobody who places her own base needs ahead of frenzied devotion to the NHS deserves so much as a STICKING PLASTER from our heroic health service.

At least now we know what those who refuse to applaud the NHS on a Thursday night are doing...

They are all indoors – sucking men's cocks!

AND...ER... MORE SEX!

New Netflix show is the HOTTEST yet

By JUSTIN DUNN

AFTER recovering from the lunacy of *Tiger King*, along comes another Netflix series to keep you transfixed.

White Lines is a sun, sea, sand and sex epic with more NUDITY than you could wave your bong at!

The murder mystery is a 10-part series giving viewers an insight into the seedy side of the party capital of the world, Ibiza.

It follows Daniel Mays, star of *Line of Duty*, as he plays a drug dealer occupied in trying to destroy evidence of his stash of cocaine following orders from his gangland drug boss.

He's being pursued by Laura Haddock (*The Inbetweeners Movie*), as her character Zoe Walker tries to find out what happened to her missing DJ brother.

In just the first episode, former *Coronation Street* star Angela Griffin's character hosts a high-end mass bisexual orgy, with naked people in masks as waiters walk around carrying trays of cocaine on platters.

All episodes of *White Lines* are available now on Netflix.

The 33-year-old model posed with a bottle of beer as she celebrated the changes that were coming the nation's way, announced by the PM on Thursday.

Taking to the comments section on Twitter, she wrote: "Cheers Boris... as of Monday I can now see my family and friends."

But not everyone was eager to join in with Bianca's celebration of the end of lockdown when the pictures were published on the Mail Online.

One user, 'Horatio Kane', slavered – with NO evidence to back up his claim: "She loves it up the trumper."

To which another user replied, with a similar lack of proof: "I can vouch for that."

Compared to that slur, the comment of reader 'A slice of ham' – who wrote: "I would rattle that," – was quite demure.

But 'Jester Cat' also crossed the line by speculating that reality TV star Bianca would enjoy the Japanese vice of BUKKAKE – in which a lady rejoices in being facially showered with many gentlemen's hot, sticky SEMEN!

Brits suffer lower sex drive over lockdown

SEX drives are taking a nosedive during lockdown, boffins say.

Only 40% of adults in the UK are having nookie at least weekly amid the coronavirus pandemic.

A survey of 868 Brits from Anglia Ruskin University and Ulster University found that only 39.9% had taken part in any form of sexual activity in the previous seven days.

Researchers found that being younger, male, married, and an alcohol drinker were associated with greater sexual activity.

The study authors argue that the UK Government's public health messaging around COVID-19 should include promoting safe sexual activity as a way of maintaining physical and mental health.

Dr Lee Smith, from Anglia Ruskin University, said: "When starting this research we expected there to be a high level of sexual activity while social isolating at home, but interestingly we found a very low level.

"It could be explained by people currently feeling anxious and stressed owing to the pandemic, and not being in the mood to engage in the act."

FOXY LADY: Moonbeam and Reynard

HIPPY GRAN MARRIES FOX

SUNDAY Sport EXCLUSIVE

'And yes, we do have a full and active sex life'

KEN Winslet should have seen the writing on the wall when his wife – and gran-of-three – Maureen changed her name to "Moonbeam Honkeysuckle".

But 65-year-old Ken just "put it down to 'the change'" and carried on enjoying his retirement.

But within a year, "Moonbeam" had divorced her husband of 40 years and moved out of the family home – a three-bed semi in Corby, Northants, to live in a hippy commune.

By TERRI BROWNE
news@sundaysport.co.uk

And last Thursday, Moonbeam, 64, delivered yet another shock to her long-suffering family by "marrying" a FOX in a bizarre heathen ceremony.

The defiant gran said last night: "As soon as I saw Reynard's eye glinting in the moonlight one evening when I returned to my yurt, after we'd had a lentil cleansing ceremony, I just knew he was 'the one'.

"I fed him a vegan treat and he bit me on the hand – I knew it was love."

Within a week, dippy Moonbeam persuaded the commune druid – a former gym instructor and sex offender from Runcorn – to marry them in a ceremony that defied the laws of God and man.

Moonbeam said: "That cemented our union in the eyes of the cosmos.

"And yes, as you're bound to want to know, we do have a full and active sex life. A few fleas and a touch of distemper is a small price to pay for love."

Moonbeam may be happy but her desertion has left chaos in Corby.

Ken took to the drink soon after she left and their once-tidy house is now in disarray.

The words "Maureen Winslet shags foxes" are sprayed on the front door which Ken refused to open when *Sunday Sport* called last night.

A dossier of our report has been made available to the authorities and the Fox Protection League.

JUST as we always suspected – "working from home" is just an excuse for WANKING!

Online retailer Yellow Octopus conducted a study and found out a LOT of employees are masturbating or sexting while working from home during lockdown.

The firm surveyed 1,000 adults from the US, Australia, the UK and Canada about their behaviour during working from home.

Out of the participants, it was found that 35% of men and 17% of women have wanked during "work" hours and barely a quarter felt guilty about it.

About a quarter of those who admitted to masturbating while "working" were aged 35 to 44.

The age brackets of 45 to 54, and 55 to 64 accounted for 21% of them and 8% were aged 65 to 74.

It was also revealed that men were also three times more likely to watch porn at work (34%) while 11% of women admitted they did the same.

But it didn't just end at masturbation – 5% of the participants admitted that they had some sex chat with a co-worker over a video conferencing program, such as Zoom.

Almost 11% of those were aged 18 to 24, while 7% of them were aged between 45 to 54, and 3% aged 65 to 74.

Driver in flying tortoise warning

A DRIVER is warning other motorists after a TORTOISE came flying through her windscreen.

"Beware, Savannah, of flying turtles," Latonya Lark wrote on Facebook, along with a photo (*above*) of the reptile lodged in shattered glass.

For some reason, best known to themselves, Yanks insist on calling tortoises "turtles".

Lark was driving on the highway with her brother, Kevin Grant, when she spotted what she thought was a brick in the air, heading towards her car near Savannah, Georgia.

Within seconds, the tortoise smashed through her windscreen – inches away from her brother.

Grant only suffered minor cuts, but the tortoise lost a leg and later sadly died from losing too much blood.

MODEL'S INSTA ARSE PICS ALMOST MAKE LOCKDOWN WORTHWHILE

LOCKDOWN has been miserable for almost all of us, it has to be said.

No pubs, no sport, no kebabs – and everyone judging you when you load your trolley up with 48 cans of beer.

But in this darkness there has been a shining beacon of hope for us all – Demi Rose's arse!

Bearable

The 25-year-old has been filling her Instagram feed with stunning snaps of her cracking backside.

And it's such an amazing arse, it's almost made the whole lockdown bearable on its own.

We collected the best of the bunch for your delectation – and as you can see the Brummie's bum really is out of this world.

A showbiz insider said: "Demi has got more than 25million followers on Insta and it's not that hard to see why.

"I suppose it could be for her sparkling wit and towering intellect.

"To be honest though, it's more about her truly fantastic bottom, not to mention her cracking top bollocks!"

Cops hunt pant thief neighbour

IF someone breaks into your house and steals your teenage daughter's bras and panties, the sex offender next door is ALWAYS going to be a prime suspect...

Angelique Rena says someone recently broke into her home while she and her teenage daughter were out to dinner.

When they returned home in Orlando, Florida, the teen realised the thief had been in her bedroom and had rifled her smalls.

"I was shocked and horrified," Angelique said. "She was in a state of panic and started noticing how many personal items were missing – her bra and panty drawers had been emptied out."

Renae believes the suspect jumped over a metal fence in her yard and went in through a back door, leaving bloody fingerprints all over her house after cutting his hand on the fence.

Orlando police say the bloody prints are a match to 49-year-old missing neighbour – and convicted sex offender – Robert Ray Wright (*above*), who is now wanted for burglary and theft.

Sex workers back on job

SWISS politicians have decided sex workers can soon get back to business, while sports and activities involving close physical contact such as judo, boxing, wrestling and dancing will remain prohibited.

Prostitution is legal in Switzerland and can resume from June 6, along with cinemas, nightclubs and public pools, the government announced last week.

Sports and activities that involve "close and constant" physical contact remain forbidden in an effort to stop the spread of the coronavirus.

In announcing the new measures affecting an estimated 20,000 sex workers, Swiss Health Minister Alain Berset said: "There are personal contacts, but a concept of protection seems possible. Erotic services could have resumed earlier."

HAPPY TO SLUICE GENTLEMEN'S LEAVINGS: Elsie

CLEANER'S WORRIES AS BRITAIN'S ECONOMY FIRES UP AFTER LOCKDOWN

IT'S now more than a month since Boris Johnson pledged to "fire up the engines of the UK economy".

The PM recognised that while lockdown may have saved some lives it was stifling the lifeblood of British commerce.

Many returned to work earlier this month despite worries over public transport capacity.

And shops shut since the start of lockdown will reopen in the next few days.

Schools are also set to reopen – despite some concerns from parents and teachers about a possible second wave of the coronavirus.

However, Elsie Banner says even though she's scoured the Government's COVID-19 website, there are still no guidelines for her safe return to work.

Elsie, 48, is a cleaner at Maison D'Ordure, Soho's premier scat dungeon, and her bosses want her back with her mop on June 15.

"My employer, Mr Theopolidou, said to me, 'Elsie, you come back to work – if you no come back, there is no job'.

"I'm happy to sluice up gentlemen's leavings, but is it safe? All I want from the Prime Minister is an assurance that I'm not going to catch this Chinese flu thing."

Last night a No.10 source said: "Several ministers are very well acquainted with Maison D'Ordure and will be looking into its re-opening as soon as possible, in a manner that is safe for both the customers and the staff."

Copper had nude pics of blackmail murdered student

A DIRTY cop kept nude pics of a terrified college athletics star who was being sextorted by her ex – and showed them off to a colleague just days before the young athlete was murdered.

University student Lauren McCluskey, 21 (*above*), went to campus cops in October 2018 as she was so scared of blackmailer Melvin Rowland, 37, a registered sex offender who she'd already paid an initial £800 demand to.

Officer Miguel Deras then saved the explicit images onto his phone, showing at least one male colleague at the University of Utah, and bragging about ogling them at any time.

Just nine days after she reported the case, McCluskey was shot dead by Rowland, who then killed himself the same day.

Deras, who later resigned and now works for police 85 miles away, did not respond to several requests for comment.

HOME SCHOOLING? DO NOT LET THIS MAN INTO YOUR HOUSE!

TIGHTS SNIFFER: Pervert was caught in laundry basket after tricking his way into one home

Alert over oddball who begs to join mums' kitchen-table classes

WITH school closed for these past 10 weeks, mums and dads have stepped into the breach to try and provide some basic home schooling for their offspring.

As well as having had to relearn their times tables, their capital cities and their flags of all nations, parents have also learned the heroic tolerance our teachers need, to inject a modicum of learning into their kids' chaotic brains.

LOVELY UNIFORM: Watson posts pics like this online

By BARNEY SAMUELS
news@sundaysport.co.uk

But some children have been left adrift in a school-less limbo while their parents loaf in state-sponsored idleness.

And it is posing as one such waif that burly truck driver Harper Watson has been tricking his way into homes across Britain.

The divorced 58-year-old, originally from Leeds in West Yorks, dresses as a schoolgirl called "Susan", then knocks on doors asking to be included in mums' home lessons.

One Nottingham mum who fell for the ruse said: "When I opened the door, there was this man dressed as a schoolgirl. I thought, 'Oh my goodness!'

"But this 'girl' explained that 'her' mummy and daddy were off their tits on the Spice and 'she' had no home lessons and that 'she' wanted to join mine."

The mum, who asked not to be named for fear of reprisals, said: "Well, in this day and age, with all this tranny business, you can't really say, 'You're not a schoolgirl, get off with you'.

"So in they came. My two were absolutely terrified. We started on the eight times tables and the second my back was turned, this person had my washing machine open and was sniffing at my dirty tights!

"Well, enough was enough. I got my husband Colin out of the sitting room where he'd bene watching *This Morning* and got him to throw this brute out."

Sunday Sport has learned that a "schoolgirl" matching Watson's description has tricked his way into no fewer than 27 houses across the north west of England and the East Midlands.

Last night Watson, who posts pictures of himself in his "lovely uniform" online, refused to answer the door at his bedsit in Biddulph, Staffs.

Bank's raided for microwave

A MAN was arrested for breaking into a bank to use its microwave to heat up his Pop Tarts – and he doesn't regret a thing.

The snack-loving bank raider told newsmen as he was hauled away: "Hell, yeah it was worth it."

The unidentified man allegedly shattered the window of the San Diego, California, bank in the early hours.

CCTV cameras caught him entering a kitchen and using the microwave.

Cops eventually broke through the bank's front door and found the man after he had spent about an hour inside.

WOMAN KEPT DEAD GRAN IN FREEZER FOR SIX YEARS

By BRAD CHADWICK
news@sundaysport.co.uk

A WOMAN allegedly stored her grandmother's body in a freezer for six years in order to collect the dead relative's pension.

Cynthia Black, 61, has been charged for the disturbing scheme that funnelled more than £150,000 into a bank account used by her, her since-deceased mother, and a relative she also lived with.

Black (*left*) told authorities her grandmother, Glenora Delahay, died in March 2004 at the age of 97.

It's unclear how Mrs Delahay died, but police said her death was not suspicious.

Mrs Delahay received pension payments from 2001 to 2010, with the money then transferred to an account used by Black, her mother Glenora Waltzinger, who died in 2011, and 55-year-old Glenn Black Jr.

In 2007, Cynthia and Glenn Black bought a home together in Dillsburg, Pennsylvania, which was repossessed in 2018.

The duo left Dillsburg, with Cynthia moving elsewhere and Glenn landing in jail in 2018 for an unrelated offence.

But they left behind Delahay's body.

In February 2019, Delahay's remains were discovered in a freezer by two women looking at the empty property.

Cynthia Black was charged with abuse of corpse, theft, and receiving stolen property. It's unclear if charges will be brought against Glenn Black.

Machete 'bummer' cleared

A MAN hired to carry out a stranger's sexual fantasy has been found not guilty of burglary after he went to the wrong address carrying a MACHETE.

Terrence Leroy was trying to carry out their task with a man who wanted him to enter his house while he was tied up wearing only his underwear and bum him up the arse with a broom handle.

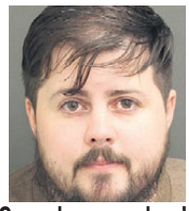
But Leroy went to the wrong address.

Now Leroy of Sydney, Australia, has been found not guilty of entering a home in July last year and intending to intimidate while armed with an offensive weapon.

Judge Sean Grant said the Crown hadn't excluded the reasonable possibility that Leroy entered the house as part of a lawful plan to carry out a sex fantasy.

Arrangements were made via Facebook for the fantasy to be carried out and the would-be client provided his address, in Goolgowi, western New South Wales, which he later updated because he had moved house.

But Leroy went to the old address and the man now living there was shocked – but not bummed – to see Leroy standing next to his bed with a huge blade.



Cop shop worker's hidden cam to spy on flatmate

A POLICE employee hid a camera in his flatmate's bedroom to spy on her.

Llewellyn Berkheiser III, 28 (*above*), a communications software specialist for the Orange County Sheriff's Office in Florida, was busted after his roommate found a GoPro camera in a vent in her bedroom.

She told cops she found the recording device when she noticed she couldn't see light in the vent from an adjoining kitchen that was usually visible.

Berkheiser told her a maintenance man from their complex maybe put the camera there, but the woman checked with building records and found no employees had been in the flat since March.

Berkheiser has been charged with one count of video voyeurism and suspended from his job without pay.

WE'RE LESBIANS & WANT TO TRY COCK – WILL YOU HELP US?

Tina and Annabel's red-hot plea to Sunday Sport readers

CURIOUS: Tina and Annabel have never had cock

LOVED-UP lesbians Tina Harper and Annabel Wilson love cooking, dancing...and licking each other's MINGES.

But now they want to try something new – hard COCK!

What's more, they've appealed for a red-blooded *Sunday Sport* reader to help them fulfil their phallic fantasy.

The pair, who live in a terraced house in Wakefield, West Yorks, have been together for four years and have always been lesbians.

And as neither has ever had a man's veiny prong in their intimate wetness, they're both technically VIRGINS!

Tina, 24, said: "I knew I was gay at an early age and never had any interest in boys. I was a bit of a tomboy and I think everyone assumed I'd grow up to be a lesbian.

By WENDY THOMAS
news@sundaysport.co.uk

"My first sexual experience was aged 16 when me and a schoolpal got a bit tipsy on Lambrini and we played Truth or Dare. We ended up fingering each other on my sofa and I had an incredible orgasm.

Pussy

"Then I started licking my friend's pussy. She was so wet, her juices were literally running down my chin. I was hooked!"

Annabel, 23, also knew she was gay from day one.

She said: "I've always been a bit more femme than Tina. I didn't have my first sexual experience until I was at university when I had a thing with an older student.

"She loved to use a strap-on and would tease my pussy lips with the head of the dildo until I was begging to be f**ked.

"When I was really wet, she would slide that thing into me with one fluid movement and I'd come straight away."

The pair say they are "sexually liberated" and often bring women home from gay clubs for threesomes.

But now the girls want to try something new – COCK!

Annabel said: "Don't get us wrong, we're not on the turn. We just want a man to be our sex slave for the night.

"Whoever we choose, he has to agree to be ordered around, f**k us how we choose and absolutely NOT come until we are both completely satisfied."

Tina added: "I want to watch a man wank and then have him come in my face. I've never tasted spunk and I'm curious as to what it's like."

Annabel said: "Cock size, for me, is not important. Tina want's a guy with a massive cock but I'm not bothered. I just want it to be hard – and stay hard all night."

Drunk set fire to gran's home with pet dogs inside

THIS soppy-looking twat deliberately set fire to a room in his own gran's home with two pet dogs inside.

Dustin Matthew Sneed, 30 (*above*), has been charged with arson over the attack in East Ridge, Tennessee – sporting a bizarre look in his mugshot with pink eye shadow and a bedazzled mohawk.

The dogs were luckily unharmed in the blaze, but a computer and several other personal items belonging to Sneed's granny were destroyed, police said.

His grandmother also told officers there was a bottle of vodka missing from her home after the fire.

Officers were later called to a nearby diner where customerss said "roaring drunk" Sneed had been inside and dropped a booze bottle.

Cops recovered the bottle which matched the one that was taken from his gran's home.

He was arrested and charged with arson and aggravated cruelty to animals.

Released con digs sex with dead teen

A PERV dug up the corpse of a teenage girl and had sex with it in a graveyard.

Akan Saikia, 51, was caught in the act by the girl's outraged relatives and beaten, before being handed over to police.

A spokesman said: "The girl died under suspicious circumstances and was buried the same night by her family.

"The following day, some fishermen noticed the accused trying to rape the body of the girl. He'd allegedly dug her up and taken out the body.

"The accused doesn't appear to be mentally deranged but he is most certainly a psychopath."

It emerged that Saika of Dhemaji in India, had recently been released from a jail term for domestic violence.

The police spokesman added: "The accused has confessed to his crime."

Saikia has since been booked on a charge of unnatural sex.

AFTER SUFFERING A BROKEN LEG, SPRAINED ARM AND A SNAPPED FINGER, LONELY ALAN WARNS...

Sex with your hoover is a BAD IDEA!

SUCKER: Alan found out the hard way that it's not a good idea to use a Henry as a wanking aid

AFTER eight long weeks of lockdown loneliness, horny Alan Derbyshire was starting to get desperate.

By SIMON DEAN
simon@sundaysport.co.uk

Forced to isolate away from his girlfriend Tina, who lives 130 miles away, the lack of sex was driving him mad.

Which is why he decided to think outside the box when it came to new ways to improve his masturbation.

But after carving a hole in a melon and sitting on his arm until it went numb, he was running out of ideas.

Blowjob

Which is when his eye fell upon his Henry Hoover.

Alan, a 34-year-old chef from Kidderminster, said: "I thought a blowjob involves your cock being sucked and what could be better at sucking that a hoover.

"You have to remember that I'd been furloughed and on my own for eight weeks. I wasn't in the soundest of minds.

"I looked at Henry and thought, 'why not?' Of course, I worried it might make me a bit of a gay, it being a male hoover and all that.

"But then I realised it was an inanimate object and therefore not subject to current gender constructs. So, I whipped his hose out, stuck it over my old chap and switched him on.

"Immediately, the pain that hit me was immense.

"I staggered backwards and fell down the stairs, knocking myself out cold in the process.

"I woke up in the hallway with my finger facing the wrong way, my arm in agony and an awful pain in my leg.

"I had to crawl to my phone and call for an ambulance, then somehow make it to the front door to let the paramedics in when they came.

"God knows what they thought when they saw the state I was in, what with me being naked from below the waist.

"They might've had an inkling, though, when I asked them if they'd switch off the hoover, which was still going full blast at the top of the stairs.

"Thankfully, they patched me up, but it will take a while to heal.

"Ironically, I hurt my wanking hand so I can't even knock one out anymore!

"If anyone is thinking of having sex with your hoover, let me tell you, it is a very bad idea!"

THAT'S NET FUNNY!

Trolled wedding snappa targets grieving fiancé

A WEDDING photography firm refused to refund a man after his fiancée died in a tragic car crash – then taunted him online.

Citing his rare and heartbreaking story, Justin Montney, of Colorado Springs, asked Copper Stallion Media to return a £1,000 deposit after his 22-year-old bride-to-be Alexis Wyatt was killed on February 4.

But the Texas-based outfit denied his request, citing a "legally binding contract" signed back in November.

As word of the refusal spread, people left dozens of negative reviews on the photography firm's social media pages.

And the company eventually fired back by creating the website *JustinMontneyWedding.com* with the message: "Life is a bitch, Justin".

Man charged for shooting nonce dead

A MAN has been charged with murder after shooting dead a kiddy-fiddling nonce.

James Fairbanks, 43, is accused of killing 64-year-old Mattieo Condoluci, a known sex offender.

A petition has been launched by the mother of one of Condoluci's victims asking the courts to treat Fairbanks leniently – and even the dead nonce's daughter said "kids are safer now".

Condoluci's body was found after officers responded to reports of a shooting in Omaha, Nebraska.

Fairbanks (*above*) wrote an anonymous email to a local newspaper saying he had shot Condoluci because he was a registered sex offender.

It's believed he acted because Condoluci had erected a swing and wooden playhouse in his back yard to tempt kiddies.

ALE AND HEARTY: Babes on the lash give lads a flash

By SIMON DEAN
news@sundaysport.co.uk

WHAT are you up to this weekend?

Well, the answer to that WON'T be: "Going to the pub!"

For more than two months now, watering holes have been barred and shuttered, victims of the Death Plague that shut down Britain at the end of March.

Memories

And there's STILL no light at the end of the tunnel as ministers say alehouses will be among the LAST establishments to open as lockdown restrictions are eased.

So, to bring back all those happy memories of pub life, here are six pages of babes flashing their boobs in hostelries up and down the UK back in the good old days.

Those good days WILL be back folks... eventually!

10 things you might not know about BARNARD CASTLE

THANKS to the infamous visit of lockdown-busting Number 10 Svengali Dominic Cummings, the County Durham town of Barnard Castle is now world famous.

But what else do we know about this jewel of Teesdale?

Here are some things you may not have known about the market town…

1 THE town was founded by a man called BERNARD, not Barnard – Bernard de Balliol in the 12th century. The spelling altered over time.

2 THE castle was once the property of hunchback king Richard III but it fell into ruins after his death at the Battle of Bosworth Field.

3 THE ruins are now a Grade 1-listed building and under the care of English Heritage.

4 CHARLES Dickens stayed at the King's Head in Barnard Castle when collecting material for his novel *Nicholas Nickleby*.

5 BARNARD Castle's largest single employer is pharmaceutical giant GlaxoSmithKline which has a manufacturing facility on the town's outskirts.

6 THE town's railway station was closed by the Beeching cuts in 1964.

7 TOURISM is important to the local economy. Several holiday parks are located nearby, including a Camping and Caravanning Club site. The town has a number of antique shops and an antique centre which attracts buyers from all around the world. People also visit to check their eyesight.

8 THE town is the reputed birthplace of Les (*top*), Vic Reeve's chive-averse sidekick on his *Big Night Out*.

9 BARNARD Castle School is a posh private school in the town. Old Barnardians include rugby star Rob Andrew, Edward Mellanby, the discoverer of Vitamin D and Kevin Whately, best known as Sgt Lewis off of *Inspector Morse*.

10 SIOBHAN Fahey, singer/songwriter from Bananarama/Shakespears Sister lived there for a short time as a child.

DEANO ON SUNDAY

Cummings? I couldn't give less of a f**k!

OVER the last week I've read thousands upon thousands of words about Dominic f**king Cummings.

I've watched people getting hot and bothered on social media about whether or not he broke the Government's lockdown laws.

Some numb-nutted headbangers even gathered outside Cummings's house in London to wail abuse at him.

One soppy tart wearing a helmet (see, f**king headbangers) filmed herself bleating.

Every sad twat's the star of their own feature film these days, aren't they? I bet her four and half Twitter followers loved that little epic.

Alastair Campbell, patron saint of the dodgy dossier – a document that sent thousands to their graves – was allowed on the telly to talk about honesty.

Surely if there was a God, Campbell he would have been struck down by a bolt of righteous lightning there and then!

On the other side, Government ministers have trotted out the line that Cummings "followed the rules" – a line written for them by Cummings himself.

Ministers of the Crown – the heirs to Gladstone, Churchill and Disraeli – dancing to the tune of the hired help?

Jesus wept!

And as for Cummings's appearance before the Press? It was the hottest ticket in town. He kept us waiting for ages like he was Madonna or something.

And then?

Drivel

A boring load of drivel. Did we really need to know that his kid went for a piss in the woods?

Disappointing? It was up there with *Star Wars* prequel *The Phantom Menace*.

I would have welcomed Jar Jar Binks crashing out of the rose bushes, to be honest.

In fact, it was during that press conference that it hit me…

I don't give a flying F**K if Cummings broke the law or not.

And I don't care tuppence if thousands of people flock to Cornwall to pile onto the beach.

Going to sunbathe in the park? Go ahead. Have an oily clusterf**k for all I care.

Me? Well, I'll carry on social distancing.

It's not because I'm afraid of catching COVID – but because many, many people are annoying and stupid and noisy and complete self-righteous arseholes.

And while they are being annoying and stupid and noisy and complete self-righteous arseholes, they're also pretending to be angry about a man they've never met doing something they would have done if they could.

Death plague? It's just what this planet needs.

FIDGET SPINNER TYCOON'S HELPING HAND FOR FELLOW BILLIONAIRE BRANSON

TYCOON: Richard Branson and (*above*) failed rocket launch

SUNDAY SPORT EXCLUSIVE
By RICK BROWN

IT'S been a trying few months for billionaire Sir Richard Branson…

The lockdown pissed all over his hotel group and cruise firm plans while the slump in air travel has sent his airline reeling.

And when the tycoon went cap in hand for a £500m government loan to tide him over and also laid off more than 3,000 workers, a tsunami of adverse publicity engulfed him.

Earlier this month, it was reported Virgin Group was selling off 25 million shares, worth £405m, in Branson's space tourism dream – Virgin Galactic – to help prop up existing businesses.

And last week to put a shitty cherry atop a shit gateau, a Virgin Orbit rocket failed after it was launched from a 747 off the coast of southern California.

But all is not lost, as a fellow billionaire has extended a helping hand.

Bobby Atkins, who made a mint selling fidget spinners during the short-lived craze, says he will bankroll Richard Branson – in return for space alien BUM SEX!

Atkins, 38, chuckled: "My untold billions have allowed me to bonk pop stars, actors and even county councillors – but I still really want to bum a space alien.

"For that I need a ride in a spaceship. Richard has a spaceship, so it's a no brainer."

Bobby added: "I want is a seat on every Virgin Galactic spaceflight until we come across a space alien who I can bum up the arse.

"And in return, I'll give Richard all the capital he needs."

However, when *Sunday Sport* put the proposal to a source close to Sir Richard he said: "We're fighting for our f**king survival here and you're just taking the piss!"

PROPOSAL: Bobby Atkins wants to probe a little green man's stinker

Sarah nips boob airing in the bud

BUSTY Sarah Phillips, 25, decided she didn't want to hide her pierced nipples a moment longer – and so decided to show them off in *Sunday Sport*.

The 34DD cracker has been itching to show her studded nips but the UK lockdown threw a spanner in the works.

Sarah, from Rotherham in South Yorks, said: "I had them pierced just before lockdown and was looking forward to going topless this summer on the beach, to show off my nip studs.

"But I don't know if we're going anywhere this year – so I'm flashing my boobs in *Sunday Sport*!"

Hooker bit off punter's cock

By SUZIE SHELDON

ATTACK: Priscilla Vaughn (*above*) bit client during sex at Crestwood Suites hotel

A PROSTITUTE was arrested and charged with attempted murder after nearly biting off a client's PENIS.

Police were alerted by reports of screaming and growling sounds from a room on the second floor of a hotel.

When officers arrived on the scene, they found a man covered in blood from several apparent injuries to his cock, testicles, leg, abdomen, chest and fingers, according to a police report.

Culprit Priscilla Vaughn, 29, "was nude, and had blood around her mouth, which had spread to her face and head," the report said, adding that Vaughn "growled and snarled" at the cops on the scene.

The victim later told police his attacker was an escort he'd hired.

After dinner, they returned to her hotel room, where they drank alcohol and Vaughn used Ecstasy.

Aggressive

During consensual sex in the Crestwood Suites hotel in Orlando, Florida, the escort "became aggressive and she began to bite his genitals. He described it as if she were trying to eat his penis and testicles", police said.

The victim tried to get away but Vaughn "was too powerful and he couldn't get her off him."

She also took his mobile away when he tried to call for help.

When cops searched the room, they found "a significant amount of blood, knocked over furniture, and strewn belongings," as well as a sex toy that had been severely damaged by bite marks.

"The damage to the toy indicates a desire to cause severe damage," the report says, adding the damage was done prior to the attack.

In addition to the attempted murder charge, Vaughn was charged with false imprisonment and tampering with the victim's ability to contact law enforcement.

She was placed into custody awaiting a court appearance.

EXPERT: Maurice Grosse with Janet in the 1970s

THE ENFIELD HAUNTING

REAL LIFE X-FILES

By NEIL GOODWIN
news@sundaysport.co.uk

LOCKDOWN has meant spending more time sat in front of the box for most of us.

And horror fans have been raving about re-watching *The Enfield Haunting*, a chilling three-part drama currently available to stream on Amazon Prime Video.

It's got all the makings of a programme to give you sleepless nights – a desperate family plagued by supernatural forces, voices caught on tape, and screaming kids being flung around by an angry poltergeist.

Yet it's a storyline that wasn't penned by a team of writers – it's a re-telling of very REAL events that had the nation gasping in the late 1970s, a gruesome tale that puzzles investigators to this day.

On a tree-lined street in the Brimsdown suburb of Enfield, north London, is a normal red-brick semi-detached house.

HAUNTED HOUSE: The Hodgson home

A satellite dish is attached to the front, like many other homes in well-kept Green Street, and a zebra crossing opposite leads to a primary school.

Some parents who drop their children off shuffle past this house quicker than any other on the lane, as a shiver of a memory down their spine.

And there's a reason why the current occupants, who wish to remain anonymous, do not want their own kids knowing about the history of the place they call home.

Because this building has a sinister past – and one that put it on the map for all the wrong reasons.

It all began on August 30, 1977, when single mum Peggy Hodgson became hysterical and contacted police after her children – Margaret, 12, Janet, 11, Johnny, 10, and Billy, seven – alerted her to banging noises and furniture moving on its own.

Cops must have rolled their eyes when the call came in, attributing the "paranormal activity" to the mischievous youngsters.

Even now, that's how sceptics dismiss the creepy events that followed.

But from the first instance, police officers and investigators learned something was amiss.

DRAMA: Stars of the popular Amazon Prime Video series on the haunting

CAUGHT ON CAMERA: The kids being thrown around their bedroom (*below*) and Janet's blankets moving

'Janet spoke in a horrific, male voice'

A statement by policewoman Carolyn Keeps describes how she and another PC heard eerie noises while standing in the living room that initial night.

She adds: "The lights went off and within a few minutes the eldest son pointed to a chair which was standing next to the sofa.

"I looked at the chair and noticed that it was wobbling from side to side. I then saw the chair slide across the floor towards the kitchen wall.

"It moved three or four feet and then came to rest. I could find nothing to explain how it had moved."

Despite the officers being unnerved, no crime had been committed and there was nothing they could do.

The family reluctantly moved back in, having taken refuge with a neighbour, but over the next few months the haunting intensified.

Newspapers got wind of the story and several journalists took up residence in the property in a bid to witness the phenomena for themselves.

They didn't have to wait long – Graham Morris, a photographer for the *Daily Mirror*, was left with a bruised head having been struck by a flying Lego brick, inexplicably hurled by an unseen force.

Marbles were also being chucked by the 'ghost', and appeared red-hot.

Morris photographed a curtain twisting into a tight spiral and being blown into the room… despite the fact the window behind it was firmly closed.

Other images shot by Morris show bedclothes moving, as if pulled by an invisible being.

Frightening

And it wasn't just people inside the house who saw horrifying spectacles.

A lollipop lady outside watched through a bedroom window, mouth open, as daughter Janet appeared to float two feet above her bed before moving around in circles.

The woman, Hazel Short, said: "She was horizontal going up and down with her arms and legs going everywhere. It was frightening."

And even the BBC was left dumbfounded. When they attempted to capture audio, their equipment malfunctioned to the point where internal metal components were bent and the recordings were erased.

For 13 months, the Hodgsons were terrorised.

Now mum Peggy, at her wits' end, contacted specialists in the paranormal – the Society for Psychical Research.

World War II veteran Maurice Grosse led the SPR investigation – and from the get-go the poltergeist didn't take kindly to his meddling.

It was Janet who bore the brunt of the spirit's wrath. Not only was she seen – and photographed – being thrown around her bedroom and levitating while sat on a cushion, Janet was also speaking in an horrific, male voice.

Some doctors have theorised that Janet was able to make these disturbing tones because of 'plica ventricularis', a disorder affecting her vocal cords.

Janet was still able to 'speak' when Grosse filled her mouth with water and taped it shut!

This otherworldly man soon identified himself as 'Bill', and told Grosse, through Janet: "Before I died I went blind I had a haemorrhage and I died in a chair downstairs…"

All these accounts are readily available to listen to on the internet – but be warned, they'll give you nightmares!

Peggy, reluctant to leave, lived on Green Street until her death in 2003, but the poltergeist appears to have calmed down by the 1980s.

Johnny died of cancer aged 14 while Janet, now 49 and unwilling to talk about what she endured, is haunted still.

Janet, who also lost a baby to cot death when she was 18, said in 2007: "It was real…it lived off me, off my energy. Call me mad if you like. Those events did happen. The poltergeist was with me – and I feel in a sense he always will be."

TERRORISED: Peggy and her children

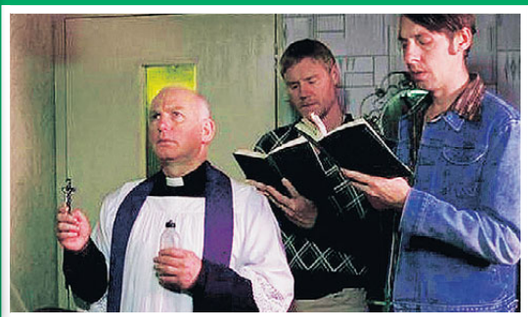
REAL LIFE HAUNTED HOUSE IN THE MOVIES

The Amityville Horror (1979)

THE film: Newlyweds move into a large house where a mass murder was committed and experience strange manifestations which drive them away.

The case that inspired it: In 1974 psychopath Ronald DeFeo shot and killed six family members in their home in Amityville, Long Island, New York.

Thirteen months later the Lutz family moved in – and were haunted by all manner of spooky apparitions. That included 'Jodie' – a demonic, black pig with glowing red eyes.



When the Lights Went Out (2012)

THE film: Poltergeists attack a family in Yorkshire during the 1974 nationwide blackouts.

The case: Jean and Joe Pritchard called in the police after claiming their home in Pontefract was being haunted by a sinister 'Black Monk' who was becoming increasingly violent.

In one instance the Pritchards' youngest daughter Diane was dragged up the stairs by her throat while suffering lacerations to her neck.

The Conjuring (2013)

THE film: Paranormal investigators Ed and Lorraine Warren work to help a family terrorised by a dark presence in their farmhouse.

The case: The Warrens investigated many haunted houses, but *The Conjuring* focuses on Andrea Perron and her family in Rhode Island, US.

Perron claims that in 1971 the spirit of a witch named 'Bathsheba' made their lives a misery.

Daughter Carolyn even says she was 'stabbed in the leg' by the evil entity before the Perrons eventually moved out in 1980.

Katie: I love to take my time and not be rushed

By WENDY THOMAS
news@sundaysport.co.uk

CURVY Katie Downes says she actually LIKES queuing up to get into the supermarket!

She said: "OK, I've not been able to do any modelling work with this lockdown, so I'm not rushed for time.

"But I think we've spent enough of our lives rushing about, don't you?"

The 32C Liverpool cracker said: "Scousers are naturally friendly and chatty so when you're waiting your turn at the supermarket you have a laugh with the people next to you.

"The other day at Sainsbury's a guy recognised me from the paper. He asked for my autograph but sadly I said that wasn't allowed, as we had to keep two metres apart."

My perfect Sunday...

Danielle Riley, 26, 34F, from Wolverhampton

COP A LOAD OF MY BOOBIES!

SUNDAY Sport SEXY BACK END!

DISHY Danielle Riley loves to spend the Sabbath driving around the countryside in her open-top sports car.

The 26-year-old hottie from Wolverhampton said: "I love having the wind in my hair and you really feel the speed in a convertible."

But 34F Danielle admits she can get carried away.

She said: "I was driving early one Sunday and there wasn't anyone on the road so I was going a bit quick when a police car pulled me over. As the officer stepped out of his car I quickly unbuttoned the top of my shirt, so that my boobs were almost hanging out.

"He couldn't take his eyes off me and kept losing his train of thought at the sight of them – in the end let me off!"

And what does she love after a bit of Sunday driving?

Danielle revealed: "I like to find a nice country pub that has a slap-up carvery… YUM!"

SUNDAY Sport LEGENDS OF PORN

PART 109 KENZIE REEVES

CUTIE-PIE Kenzie Reeves is a pixie-sized star with an insatiable appetite for cock!

By PENNY MARSHALL
news@sundaysport.co.uk

The 30B hottie, originally from New Hampshire, is just 4ft 10in tall – the same height as Queen Victoria.

But Kenzie would never say: "We are not amused," if she saw a huge cock coming towards her.

She popped onto the scene in 2017 at the age of 19.

Pert

Kenzie, who boasts pert 30B boobs, was stripping in the Boston area before she decided that becoming a porn star would make her happier and get her more business – and she was right on both counts!

Known also as Ava Cumz she can do some gymnastic tricks like hang upside down on a guy and suck his cock, and the splits.

And she has worked for some of the biggest names in the porn industry, including X Empire, Reality Kings, Nubiles Porn, Perv City, Punish Teens, Burning Angel and Evil Angel.

PUB TALK

BEFORE the lockdown closed their doors, the pub was a great place to meet old mates, relax and have a laugh over a couple of drinks.

In happier times, our reporters visited British boozers up and down the country to ask babes all about their sex lives.

Thankfully, we got a few interviews "stockpiled" before all the pubs got shut.

In today's feature, we speak to two babes from Cardiff...

BETHANY DONALD
AGE: 22
OCCUPATION: Insurance agent
FAVE DRINK: Bacardi and Coke
FAVE FOOD: Indian
FAVE FILM: *Dunkirk*
FAVE ACTOR: Harry Styles
FAVE HOLIDAY: Ibiza

CLAIRE WILLIAMS
AGE: 23
OCCUPATION: Pastry chef
FAVE DRINK: Gin and tonic
FAVE FOOD: Indian
FAVE FILM: *Darkest Hour*
FAVE ACTOR: Chris Hemsworth
FAVE HOLIDAY: Morocco

ONE-NIGHT STANDS

BETHANY: I've had four one-night stands, three of them were fantastic but one of them was a complete disaster.
CLAIRE: What happened?
BETHANY: The guy didn't have a clue what he was doing and came in 10 seconds. I'd definitely have another though, because it's sex without any complications.
CLAIRE: I've had a few. One of the guys was so drunk he couldn't get it up!
BETHANY: What did you do?
CLAIRE: Gave up and went to sleep! It was very embarrassing the next morning.

FAVOURITE POSITION

BETHANY: What's your favourite position?
CLAIRE: Me on top. It puts me in control so I can go as fast and wild as I like.
BETHANY: I like doing it standing up. It feels really nice and it's naughty being shagged against a wall.

MY FIRST TIME

CLAIRE: Did you enjoy your first time?
BETHANY: Not particularly. I was 16 and did it with my boyfriend in his bed. He was really experienced but it didn't help matters much.
CLAIRE: Why was it so bad?
BETHANY: It just hurt a lot and he only lasted a short while. I wasn't impressed but I thought I'd give it another try, Since then I haven't looked back!
CLAIRE: I lost my virginity when I was on holiday in France. I pulled a guy and ended up shagging him in my tent.
BETHANY: What was it like for you?
CLAIRE: It was okay, it was his first time as well so it was the blind leading the blind! It was very average and at the time I couldn't see why all my mates were raving about sex because I thought it was rubbish!

WORST SEX

BETHANY: Was your first time the worst shag of your life so far?
CLAIRE: No, the worst shag I've had was last year when I was extremely drunk. All the motion made me feel sick and I threw up all over my fella!
BETHANY: What did he do?
CLAIRE: He was disgusted and it totally ruined the moment for us, as you'd expect.
BETHANY: My worst shag was on the beach when I was on holiday a couple of years ago. Sand got in all my crevices and it chaffed really badly! I've never been in as much pain and had to stop the guy shagging me as was about to come!

EMBARRASSING MOMENTS

CLAIRE: Last year I was having really drunken sex with my boyfriend and started pretending I was a porn star. I was being really dirty and screaming all night long. The next morning my mates told me they'd heard everything!
BETHANY: What did you say?
CLAIRE: I went bright red and apologised to all my house mates! I still haven't lived it down.
BETHANY: My most embarrassing time was when his mum walked in and caught him shagging me.
CLAIRE: Was she okay about it?
BETHANY: No, she started screaming then literally grabbed hold of me and threw me out of their house! It was awful.

BUM FUN

BETHANY: Do you take it up the bum?
CLAIRE: Yes, the first time you do it I think it feels uncomfortable but the more you try it the better it gets.
BETHANY: What do you like about it now?
CLAIRE: It's really dirty – and I can even orgasm when a willy is in my bum!
BETHANY: The first time I tried it I couldn't believe how nice it felt. I was expecting it to be awful but I really enjoyed it! I've done it loads of times since. It's almost as good as normal sex!

> "I've never tried a threesome but want to – I bet having two fellas at once is truly out of this world!"

WILLY SIZE

CLAIRE: Do you reckon willy size makes a big difference?
BETHANY: Yes. I once had a fling with a fella who had a 10-incher! The first time I saw it I couldn't take the smile off my face and wasted no time in test driving it!
CLAIRE: Was it good?
BETHANY: It was amazing, I really miss it nowadays! The bigger the cock, the better the sex.
CLAIRE: My ex had an eight-inch penis and he was amazing in bed. I don't think size is everything but it certainly means you're more likely to orgasm when it's a bit bigger than average!

STRANGE PLACES

BETHANY: I used to date a guy who managed a bar and one night after he'd locked up he threw me on the pool table and we had sex on it.
CLAIRE: That always happens in movies! It looks really horny!
BETHANY: It was really good sex and I loved feeling naughty. The best bit was he was really fit and had a big prick so it couldn't have been better!
CLAIRE: The strangest place I've done it was in a back alley behind a kebab shop! We couldn't wait to get home so we nipped behind the shop and he did me against the wall!
BETHANY: Was it fun?
CLAIRE: Well, I liked the feeling we could get caught, but he came in under a minute. He bought me a kebab afterwards and that gave me more pleasure than the sex!

FAKING IT

BETHANY: How often do you fake orgasms?
CLAIRE: All the time. When the guy's trying really hard but getting nowhere you feel like you have to give them something back!
BETHANY: I tend to fake it quite a lot as well. Sometimes guys will go on for hours and won't give in until you've orgasmed! When I can't be bothered any more I just fake it so that they'll stop!

BONDAGE

CLAIRE: What do you think of kinky sex?
BETHANY: It's good fun and spices things up in the bedroom a bit. I love putting handcuffs on my fella and attaching him to the bed.
CLAIRE: So you're a bit of a dominatrix?
BETHANY: Yes, I like being in control because then I can make sure I orgasm! Guys like letting girls be in control as well!
CLAIRE: I like being tied up and blindfolded. It's naughty and really turns me on.
BETHANY: How far would you take the bondage?
CLAIRE: Not too far. I wouldn't like it to get painful! I wouldn't mind having my bum whipped in the future, though! I bet that's a big turn-on.

SEX TOYS

BETHANY: Have you got any sex toys?
CLAIRE: I've got a vibrator called the Magic Wand. It's pink and it's very good as well!
BETHANY: Does it make you orgasm?
CLAIRE: Yes, I use it every other day and it never fails to make me come!
BETHANY: I've got two vibrators, one is a Pocket Rocket and the other is a Rampant Rabbit. The Rabbit is best because it does the job in just a couple of minutes!
CLAIRE: Does it get much use?
BETHANY: Yes, I've had to replace the batteries loads of times! It's worth the money though.

THREESOMES

CLAIRE: Have you had a threesome yet?
BETHANY: Yes, I had one last year.
My mate introduced me to his girlfriend, we all got drunk together and then ended up in bed! It wasn't planned, it just happened!
CLAIRE: What was it like?
BETHANY: It was really good although we were all hammered! The next morning was a bit embarrassing but overall I enjoyed it. I'd definitely do it again.
CLAIRE: I've never had one but I'd love to. I bet having two guys at once is truly out of this world!

IT'S ALL IN A KAY'S WORK FOR TINA!

THERE aren't many Television X stars as recognisable and popular as the stunning Tina Kay.

She's been the star in tons of raunchy TVX flicks including *The Kay Of Reckoning*, *Pornstars In Their Eyes* and most recently her directorial debut, *Tina Kay's Porn House Vacation*.

We met up with the international superstar to chat about her life as a top pornstar and how much she loves shagging!

HOW DID YOU FIRST GET INTO PORN?
I started off mainstream modelling when I was younger and by my early 20s, I dived straight into adult soft and hardcore.

I've had a very successful decade living my dream life, shagging for a living. At 35, I'm now moving to the next stage as a director.

WHAT MADE YOU WANT TO DIRECT YOUR OWN MOVIES? HOW DID YOU FIND YOUR FIRST TIME?
Tina Kay stands for high quality, classy content mixed up with my hard and nasty action – putting together my two extremes to make you a top new movie.

I've loved working with Harmony Films on this. They've been so much help and we've created something amazing. I can't wait to see my first movie premiere on Television X!

SOME OF OUR FAVOURITE TVX FILMS HAVE COME FROM YOU FILMING WITH AMORT PEART/SWANK. WHAT DO YOU LIKE SO MUCH HIM?
Oh yes, he is definitely my favourite TVX director I've been working with. He brings such a unique quirkiness and fun to his movies with his British sense of humour!

He also lets us performers show our real characters in our roles, so we can be at our filthiest.

STARRING IN AS MANY MOVIES AS YOU HAVE, YOU MUST HAVE MET SO MANY PORN STARS. WHO ARE YOUR FAVOURITES TO SHOOT WITH?
No names, but the ones with no limits! Boys or girls who are open minded, really love to experiment and love sex! Positive energy is so important.

WHAT ARE THE BEST THINGS ABOUT BEING A PORN SUPERSTAR?
It has to be the lifestyle, having the ability to live life on my own terms with complete freedom. I get to travel the world and have sex with some gorgeous people.

It's taken time and courage to get here, but it's all been well worth it.

Call me "Sexy Self-Made!"

WHY DO YOU LOVE SHOOTING WITH TELEVISION X?
It's the best of British! TVX has some great parodies, feature films and reality scenes and they showcase their star talent so well.

I'm so proud to have be on the TVX screens for so many years. I bring a bit of everything with my British style and European, no limits spice. Enjoy my special night only on Television on the 21st.

To celebrate the release of Tina's latest movie, we're dedicating a WHOLE NIGHT solely to her tomorrow!

To see her in the naughtiest scenes on TV subscribe to Television X (Sky 900), call 0871 271 6869 or visit *www.televisionx.com*. Calls cost 13p per min plus your phone company's access charge.

Follow Television X on Twitter and Instagram *@TVXMole*

TODAY

TOMORROW

***Inside the Factory: Keeping Britain Going Baked Beans Update* – BBC2, 8pm**

GREGG Wallace catches up with the Heinz baked bean factory in Wigan, which has upped production to deliver almost 50 million cans in just a month, nearly double the number of tins the firm would normally sell in the same period.

Operations manager John Brockley reveals how staff are keeping safe across the site, including passing through a thermal camera that automatically takes the temperature of workers as they enter the factory.

Les hear it for a comedy legend

***Les Dawson Forever* – ITV, 10.45pm**

THE first of two programmes celebrating the career of the Manchester-born comedy star.

Les's youngest daughter Charlotte Dawson meets *Opportunity Knocks* director Royston Mayoh to hear how an audition changed her father's life for ever, Les's sidekick Roy Barraclough reminisces about their famous characters Cissie and Ada, and Barry Cryer returns to Yorkshire Television to revisit some of Les's friends.

OF THE TELLY

By BARNEY SAMUELS

A triumph in adversity

Dunkirk – BBC2, 5pm

NO, not the slightly-confusing one starring Tom Hardy and Kenneth Branagh from a couple of years back – this is vintage stuff from 1958.

Soldiers are separated from their comrades-in-arms during the Dunkirk evacuation and face a terrifying journey to safety.

A heroic lance corporal takes charge, aiming to lead the platoon to sanctuary while those around him panic.

Terrific Second World War adventure, starring top screen legends such as John Mills, Richard Attenborough, Robert Urquhart and Bernard Lee.

Tesco: Panic in the Aisles – C5, 7.15pm

FIONA Phillips reports on how the supermarket chain coped with panic buying at the start of the coronavirus crisis and how the nation's shopping habits have started to change.

As the public filled their cupboards with more than £2billion worth of extra groceries, Tesco doubled their share of the growing online market, but shelves being stripped bare of bogrolls and thousands of staff having to self-isolate or being off sick provided an enormous logistical challenge.

Fantastic Beasts and Where to Find Them – ITV, 7.30pm

BRITISH author Newt Scamander arrives in 1920s New York with a bagful of magical creatures as part of a global study of fantastic beasts, but gets caught up in a conflict when some of the creatures in his care are accidentally released.

With a strange dark force terrorising the city, Newt needs to find some allies to help him round up the beasts, while saving his own skin in the meantime.

J. K. Rowling's Harry Potter prequel, starring Eddie Redmayne, Katherine Waterston and Colin Farrell is quite entertaining.

TUESDAY

Springwatch 2020 – BBC2, 8pm

THE team examines the mental health benefits of nature, and follows the fortunes of choughs in West Wales.

Gordon Buchanan focuses on Scottish ospreys in Loch Lomond National Park, while Chris Packham shares an extraordinary story of how a love of birds united English POWs and German Officers during the Second World War.

The Treasure Hunters – BBC4, 10pm

DALLAS Campbell and Ellie Harrison present the first of two programmes in which they embark on the ultimate treasure hunt, searching the globe to uncover its extraordinary riches, from natural gems to precious metals – and more besides.

Dallas begins his search Down Under, free-diving for lustrous pearls in the waters around north-west Australia and seeking out diamonds from the bottom of the ocean.

He also learns about opal mining in one of the most hostile places on Earth and together with Ellie reveals how ambergris, a substance that starts life in a sperm whale's stomach, can prove an expensive ingredient in perfume.

Plus, how one of the largest and most unusual treasures has helped solve a 67-million-year-old puzzle.

DON'T MISS THIS!!!

Cardinal – Wednesday, BBC2, 9pm

IF you've not seen this Canadian noir 'tec show before – you must.

Darker than December in northern Ontario but utterly gripping.

Cardinal and Delorme are called in to deal with a missing person report. The husband of a local politician has failed to return home, and the wife senses something must be terribly wrong. Starring Billy Campbell, Alanna Bale, Karine Vanasse and Zach Smadu.

And I'm not shitting you...I'm watching this series myself online via a dodgy streaming site.

JODIE: I LOVE TO GET CAUGHT OUT NAKED!

By WENDY THOMAS
news@sundaysport.co.uk

JODIE Nicholls has a window cleaner who's the luckiest man with a chamois leather in all of Manchester.

Because whenever he calls at hers with his big bucket of suds, he gets a cracking view of Jodie in the almost-altogether!

Jodie, who boasts pert 34B boobs, laughed: "I really must remember what day it is that the window cleaner comes."

The topless stunna, 23, added: "I always thought it was a Thursday… then a Friday… and then a Monday for some reason.

"Either I just keep forgetting or he keeps turning up on random days – when I'm pretty much NAKED!

"I don't think he minds that I don't give him a Christmas tip – he gets enough naughty treats throughout the year."

Jamie: I love being toned

JUICY Jamie Leigh hasn't just got knockout boobs – she's got bulging MUSCLES to boot!

By WENDY THOMAS
news@sundaysport.co.uk

As well as being a glamour model Jamie, 26, is also a competitive fitness babe.

The ripped lass, from Ipswich, Suffolk, trains for two-and-a-half hours every day, six times a week – even though she has to do it at home as her gym is still shut.

She said: "I love my body now. I think a toned woman is so much sexier than a flabby one.

"Who wouldn't want a girl with a six-pack?

"The strict training schedule and diet have been really hard, but I've actually enjoyed it, so I haven't found it a chore."

CLAUDIA'S FIT ENOUGH TO KICK-YOUR-ASS

DON'T go upsetting curvy Claudia – because she's one fit kickass KICKBOXER!

The 30-year-old, who was born in Debrecen, Hungary, but now lives in London's swish Fulham, reckons the martial art keeps her in tip top trim for modelling – and also makes her feel confident.

By WENDY THOMAS
news@sundaysport.co.uk

The 36C brunette beauty – who was Hungarian Playmate of the Year back in 2005 – said: "It's nice to walk down the street knowing I can look after myself.

"But self-defence is not the real reason I took up kickboxing many years ago.

"I also like the discipline and the hard, physical work that goes into it, too."

And she speaks four different languages – Hungarian, German, English… and WELSH.

What a woman!

THE WORLD FAMOUS AGONY Page

Dear Tess,

I'M a 24-year-old dog-lover with big boobs, and as I was walking my pet pooch in the park last week, I came across a guy who was wanking off by a tree.

I was shocked – but strangely excited too. He wasn't good looking but his cock was of a decent thickness, if lacking a little in length.

He noticed me watching and stopped and made to run off but I told him if he wanted to carry on he should.

As he stood there, not knowing what to do, I took his cock in my hand and slowly finished him off.

As he came, his cum-moan upset the dog, who ended up biting the bloke, who then ran off.

How do I apologise?

PS, email

Tess says...
JUST keep walking the dog and leave the man to crack on by himself next time!

Dear Tess,

I CAN'T stop masturbating and I think it's affecting my work.

I don't have a great deal to do and I'm thinking of quitting but there are loads of fit women who I work with and I'm always off to the bog for one off the wrist while I fantasise about them.

I sit by one dark-haired beauty who has big tits and a lovely smile and I've had my knob out under the table a few times when I talk to her.

She doesn't know this, of course, and I think I'd be sacked if she ever saw me.

Is it time to stop wanking at work, or should I quit my job?

Please help!

TA, Warks

Tess says...
STOP it right now! It's against the law. Save your sex fantasies for the comfort of your own home.

Upset neighbours are barking mad for a glimpse of my pussy

Dear Tess,

MY Chihuahua doggy never shuts up and his barking is upsetting the neighbours.

One guy who lives across the road came to complain about the noise and I'd just got out of the shower when I answered the door to him.

I don't know how, but my skimpy dressing gown blew open and he could see my neatly-trimmed pussy and my 36DD boobs.

Intimate

I think it distracted him because he soon forgot about the rant he'd gone into as I opened the door to him and he feasted his eyes on my intimate parts.

Well, I could tell he was turned on by me – he was stood gawping, open-mouthed at my tanned, naked body.

So I decided to tease him a little and I let a finger wander down to my fanny and I slid it between my legs.

"Is there something you…want?" I slowly asked him as he stood there drooling at the site of me gently massaging my clit.

Then I heard his wife from over the road calling him to come back and fix their washing machine, and off he went.

I think I handled the situation quite well, don't you?

But I don't really want to have to expose my self to the whole ruddy street, if my pooch keeps annoying all the locals.

What should I do that's a better long-term solution?

DG, Leeds

Tess says...

DON'T be surprised if that bloke comes back to knock on your front door and complain again – when his wife's out!

Dear Tess,

EVER since I can remember, the thought of feeling rubber against my skin has me tingling in the nether regions.

As a teen, I remember finding a swimming cap at the baths.

I loved the feel of it and now I have a big collection of them and I rub myself off on them all the time.

I did tell a girlfriend once – but she totally freaked out and whipped me in the face with a floral number I was trying to get her to wear when I shagged her, and she binned me.

I don't think this is really very fair because as the saying goes: "It takes all sorts".

Don't you agree?

GW, Humberside

Tess says...

I DO – but you still need to find someone who's not going to be turned off by what turns you on.

Try looking for fetish sites online. That should help you find what you're looking for. Whatever you're into, so is someone else.

It's a big old world out there!

Tess says...

FUN in the sun? Why not! Fine, as long as you obey the lockdown rules.

Patty's proud of her big assets

PERKY Patty Michova says fellas can't get enough of her MASSIVE boobs.

The 28-year-old brunette beauty insists her boob job is so good, most blokes can't even tell her assets are enhanced.

Patty, from Barnet, north, London, who boasts 34F norks, revealed: "I get asked the question all the time, 'So... are your boobs real?'

"I take that as a huge compliment, because very few people can tell that they are actually fake.

"They feel wonderful, too, and I've had no complaints from any male friends in the bedroom.

"In fact, most guys don't realise I've had implants at all – especially when they've got their manhood nestled in my cleavage!"

ONE LAST BID TO KOP TIMO

LIVERPOOL will make one final move to sign Timo Werner before his transfer clause runs out.

Boss Jurgen Klopp has made no secret of his desire to sign the German forward, calling him a "perfect player" for his squad.

The Reds have so far refused to meet the 24-year-old's £52m release clause which runs out in the middle of June.

They value the player as less than that but, such is Klopp's desire to get him, the Kop's American owners are likely to go back for one last bid before it expires.

Werner is thought to be desperate to join his countryman at Anfield and it would be a strange move by the club's board to upset the gaffer as he closes in on the title.

UNITED'S MOUSSA MOVE

MANCHESTER United have launched a move for Moussa Dembele.

The Red Devils want the Lyon striker and have reportedly opened transfer talks with the French side.

United were sniffing about last summer but were scared off by a hefty price tag.

That has thought to have dropped to around £45m and boss Ole Gunnar Solskjaer wants the deal done before the likes of Arsenal and Chelsea move in.

That would push the price right up again.
